Nurse Martha

Dear Escuela Families,

Welcome back! This is going to be a great year. My name is Martha OHASHI; I am the school nurse here at Escuela SMART. I am here every day to care for the medical needs of your children. Please let me know if they have any allergies, asthma, or any other medical condition that I need to know about. If you have any questions let me know. Thank you.

Immunizations

The school must have a written proof from a health care provider that the immunizations are complete or in the process of completion. I will be sending home reminders to those parents that have an incomplete record on file. **Exclusion of your child from school will take place on October 1st, if there is no written proof of completed or "in process" immunizations.** The child will not be allowed to return to school until their immunizations comply with the laws of the State of Ohio. If you have any questions please call the office and ask for Nurse Martha or send a Dojo Message.

Thank you,

Nurse Martha

Counselor's Corner

Hi! My name is Kaitlin Szozda, and I am so excited to be Escuela SMART's new school counselor. This is my 15th school year as an educator and my fourth as a school counselor. I started my career as a high school English teacher and then became a school counselor once I saw the need within our schools. I came to TPS last year, and I love it! Working for a large and diverse district like TPS has always been my goal. I'm a graduate of Northwood High School, Ohio University, and the University of Toledo. My undergraduate studies included a minor in Spanish and a quarter abroad in Pamplona, Spain. While I am far removed from those college days, I am so excited about practicing Spanish and becoming proficient once again. Outside of school, I am a mom to three young kids. I love to read, travel, and spend time with my family. I'm also expecting my fourth baby in December!
