

Escuela SMART Academy: November 2023

Escuela Families,

The month of November is here and we are grateful to be able to still go outside for recess. It is a great time for our students to run and play even as the temperatures get colder. But recess is more than that. One of the greatest benefits of recess is that it allows children to build on their social skills by learning to share, showing respect, playing together and just plain learning how to get along. Some students may complain that someone is cursing, being mean, throwing something, and/or is hitting them. Sometimes it's a simple misunderstanding. Many times however, it is because a student doesn't want to get along. Recess should offer our students a chance to be outside to play without fear of being teased or harmed. **PLEASE** help us by talking with your child and encouraging them to play appropriately and listen to all adults that are monitoring them. The students will be going outside when temperatures are above 32 degrees. Please make sure that your child has boots, gloves or mittens, a warm hat, and a warm coat as temperatures begin to get colder. Thank you so much to those parents/guardians that attended conferences either at school or by phone. We greatly appreciate your support of your child and their teacher. Please make sure that you work with your child as much as you can and keep in communication with your child's teacher when questions and concerns arise. If we work together we can continue to allow Escuela students to have a successful and safe school year. Thank you for all that you do.

Ms. Natasha Allen and Ms. Marcela Velazquez

News from the Office

Office hours are 7:30 - 3:00 pm	Please do not pick up students in the office after 1:30 pm.
Doors will not open until 7:30 am	If your student is sick, please call the office first thing in the morning.
If you are picking up your student early, please call the office no later than noon – 419-671-5550.	If you need to speak with a teacher, please send the teacher a message in Class Dojo. We cannot interrupt them while teaching. We thank you for your cooperation.
If you are picking up a student at the end of the day, please go to the side door on Field Ave. Wait in your car and provide your student's name.	We understand sometimes you cannot get to school on time to pick up your student. If your child isn't picked up by 2:55pm, security will have to be called to pick up your child.

Nurse Martha

Dear Escuela Families,

My name is Martha OHASHI; I am the school nurse here at Escuela SMART. I am here every day to take care of the medical needs of your children. Please let me know if they have any allergies, asthma, or any other medical condition that I need to know about. If your child has medication that they need to take at school, please have your doctor fill out a medical authorization form; please let me know if you need one or if you need me to fax one to your child's physician. If you have any questions for me, please call the office and ask for Nurse Martha. Thank you.

Immunizations

Thank you to all the parents that took care of immunizations promptly. Please remember that some students will need another dose of their vaccines in a few months. I recommend that you set up an appointment with their doctor for their vaccine, so that your child is in compliance with state policy.

Vision and Dental Consents

The Vision and Dental mobile is going to be coming in January, but we need to collect the consent forms as soon as possible. So if you are interested, please fill out, sign the forms, and send them in with your student.

If you have insurance, your insurance will be billed, with no charge to you. If you do not have insurance, your child will still be seen free of charge due to a grant.

For Vision: Students will receive a comprehensive eye exam and if they need glasses, glasses will be sent to school for your child.

For Dental: Your child will receive a comprehensive oral exam by the doctor, they will also receive a cleaning and sealants. They will be referred to a dentist if they have cavities or other dental work. You will receive a note from the dentist.

BRRRR...As it starts getting cold outside...Remember...

The weather is unpredictable.

Remember that your children go outside to play for recess. Please make sure they wear appropriate clothing for the weather. As the temperatures drop, they will need coats, hats, gloves. If you do not have any winter gear, please let me know. Call the office and ask for Nurse Martha.

If your child stays home due to illness...

Always call the office everyday if your child is going to stay home due to illness or for a doctor's appointment. If your child has a Doctor's appointment please remember to ask for a medical excuse and return it to school so that your child can be excused for the day.

Islamic Food Pantry

TPS has collaborated with Islamic Food Pantry. Times are difficult. We will be receiving food bags for our families twice a month starting in November. The first week and last week of the month. If you need a food bag please let me know and we can arrange a pick up time. Please message me on Class Dojo.
