

Escuela SMART Academy:

February 2024

Escuela Families,

The weather is unpredictable at times so it's important to check the weather so that your child has on the proper clothing for school. Students should wear coats, hats, and gloves daily. We tell them to put on and zip up their coats before leaving school but the bussers specifically don't always follow directions. Please speak with your child about this so that they don't get sick from not wearing a coat, hat, and gloves. Also, please contact Nurse Martha at the school to let her know if your child(ren) are in need of any winter clothing items. If you are in need of anything please let your child's teacher know or contact the school.

Our 3rd-6th grade students will be taking the ELA Ohio State Test(OST) between March 25th through April 19th. The Math and Science OST are from April 22nd through May 10th and the iReady Spring Diagnostic is from May 10th through May 23rd. Specific testing dates and times will be given by your child's teacher at the beginning of March. We want you to know the dates so that you can make sure that your child is in school on that day. Once the teachers give you the specific dates of testing, we would appreciate it if you would not make any appointments for them on the day of testing. This is because it is difficult to schedule a time to make up the test. Please make sure that your child gets plenty of rest and eats a good breakfast before the test. Thank you for all of the support that you give to your children and their teachers on a daily basis.

Please **SAVE THE WEEK**: Spring Break is from March 29th through April 7th.

News from the Office

Office hours are 7:30 - 3:00 pm	Please do not pick up students in the office after 1:30 pm.
Doors will not open until 7:30 am	If your student is sick, please call the office first thing in the morning.
If you are picking up your student early, please call the office no later than noon – 419-671-5550.	If you need to speak with a teacher, please send the teacher a message in Class Dojo. We cannot interrupt them while teaching. We thank you for your cooperation.
If you are picking up a student at the end of the day, please go to the side door on Field Ave. Wait in your car and provide your student's name.	We understand sometimes you cannot get to school on time to pick up your student. If your child isn't picked up by 2:55pm, security will have to be called to pick up your child.

Nurse Martha

Hello Escuela Families,

I hope everyone had a wonderful Christmas break and enjoyed the snow these past few weeks. With the constant changes in weather, please make sure that your children are wearing appropriate clothing for the weather. A coat, hat, and gloves are important to keep your child safe in the winter. If you do not have these items, please let me know and I will make sure your child gets them.

Vision Mobile

I am thankful for the partnership with Health Partners of Western Ohio for providing Vision Outreach services to our school. We would like to welcome Dr. Christopher De Guzman, O.D. and his team. They provided amazing vision services to our students on Jan.18 and Jan. 22. Due to the snow, cold and fog days, they were not able to see all our students but there will be make-up days for vision in the future. If your child did not turn in a consent form there is still time to turn one in, please send me a dojo message and I will send one home with your child.

Remember, they do a complete comprehension vision test. If your child needs glasses, they will provide glasses for them. It does take 2-3 weeks to receive them. If you have insurance, they will bill your insurance with no cost to you. If you do not have insurance, the services are free. Remember we need a signed consent form on file for your child to receive this service.

Dental Mobile

On February 14-29, we will have a Dental mobile van coming to our school. They offer Dental services to our students who have a signed consent on file. The type of dental services that they offer are dental cleanings, and sealants. They Do Not fill cavities or any other major dental work. If your child has cavities, they will be referred to a dentist. If you have insurance, they will bill your insurance, if you do not have insurance it is a free service for your child. Please remember that most insurances allow two cleanings every six months. This will count as one of the cleanings billed to your insurance. If you have, any other questions let me know. I have sent consent forms home since August. If you have not signed one and would like your child to receive dental services, please message me or call me.

SCHOOL BASED TYTOCARE TELEHEALTH

More days in school.

Fewer missed workdays.
